

**CHAMBER  
CONNECTION**  
Kristen Christiansen

**APRIL  
2015**

-- Welcome Hiawatha Shores Recycling & Disposal to the Newberry Area Chamber of Commerce. Please remember them when doing business.

--The Annual Dinner will be taking place on April 17<sup>th</sup>. If you have not purchased tickets for this event you may still do so. We look forward to a great turnout and have received wonderful support for the silent auction. All donations are greatly appreciated.

-- Please be aware that the new Newberry Area Chamber of Commerce Facebook page is maintained by the current Director. The page will be used to promote members, the area, and events. If your business has an event, sale, or promotion, please feel free to add it on the page. This is a new change that will make updates and promotions more efficient. It will not be immediate, as it will need approval, but I will do my best to stay on top of approvals to ensure posts are done in a timely manner. If you have questions, feel free to contact us at the office, or email me directly at [director1@lighthouse.net](mailto:director1@lighthouse.net)

--Chamber members, if you are looking for an interesting way to advertise your business, consider a Newberry Chamber website banner advertisement. The banner ads are displayed on the left edge of every page on our website and rotate randomly. Each ad links directly to your own website. They are affordable, at only \$100 a year for a small ad and \$150 a year for a large ad, not including set up fee.

--We are finishing up the winter season and welcoming spring. Our summer season is just around the corner and will be full of events that we will keep you posted on.

--Kristen Christiansen is the new Chamber Director. She knows there is a lot in this area to offer people. She looks forward to working with the businesses and promoting the area.

--Make sure to check out the homepage of the Newberry Chamber website ([www.newberrychamber.net](http://www.newberrychamber.net)) to see all the great events taking place in our area!
