

-- Winter finally arrived and we are seeing winter visitors to our area. Many of these visitors are snowmobilers. If they have questions on Trail Reports, you can always send them to the Newberry Area Chamber of Commerce website, www.newberrychamber.net, the Newberry Area Chamber of Commerce Facebook page, or to the T.A.S.A. site. We want them to be safe and know what conditions are like for the area they will be riding.

--There are some great opportunities for this area being reviewed. One is the potential for a Shipwreck Sanctuary for this area that would be a great addition to our history and other attractions that we have around us. This would be located up by Whitefish Point. If you have not written a letter or shown your support and would like to do so, please contact the Chamber.

--Crisp Point Lighthouse received a Certificate of Excellence- an award earned by consistently receiving great reviews on the business through TripAdvisor. Congratulations to Crisp Point Lighthouse on such a wonderful honor.

--Tahqua-Land has gone digital! Congratulations to Fred on this great accomplishment. What a great place to go. It is valued by locals and visitors alike.

--The Newberry Area Chamber of Commerce Annual Dinner will be held April 15, 2016 at the American Legion. Please watch for further information to come in the mail. We have some fun activities planned.

--As always, if you have specials, deals, or announcements for your business, please get them to the Newberry Area Chamber of Commerce by calling (906)293-5562 or emailing them to newberry@lighthouse.net The Chamber will assist you in spreading the word. If you have any changes to your business, such as hours or amenities, let us know. The website can be updated and provide accurate information to those that are looking.
