

-- The summer has been very busy and full of events. The Newberry Area Chamber of Commerce is looking forward to multiple upcoming events. The events to look for that are put on by the Newberry Area Chamber of Commerce are the Chamber Golf Classic, the Pictured Rocks Boat Cruise, and Fall Fest. In addition, The Newberry Area Chamber of Commerce and Save, Grow, Restore Newberry will be hosting the Legislative Luncheon.

-- The Chamber Golf Classic will be held August 27th at the Newberry Country Club. This is a Saturday, a little change from the past. The Newberry Area Chamber of Commerce hopes to see many of our businesses and community members out on the course. We have added a new feature this year for those that want to play but might be less experienced, or just like to have a good time regardless of score. This is the "Wanna Be 2" teams. This will be 9 holes just for fun. Newberry Motors is gracious enough to sponsor our Hole-In-One contest again this year. Come on out, have some fun and enjoy one of our last days of summer, and try for that new car.

--The Pictured Rocks Boat Cruise is always a crowd pleaser. This year on September 25th, we will be taking an afternoon ride along the beautiful Pictured Rocks. Whether it is your first time or 100th, they are always breathtaking. This trip is made possible by John Madigan from Pictured Rocks Cruises. Tickets are priced to fill the boat and a great family event; so call or stop out to the Newberry Area Chamber of Commerce today to get your ticket. (906)293-5562

--October 7th is the Legislative Luncheon. This has been a growing event and we hope to continue to see it grow. If you would like to come, you can call and make your reservation at any time.

--October 8th is Fall Fest. This year Fall Fest will be held in Downtown Newberry! We will have vendors, events, games, food, and a little something for everyone. If you would like more information on becoming a vendor or displaying your musical talent, please call The Newberry Area Chamber of Commerce. (906)293-5562

--We have many great members that do so much for our community. This month I would like to recognize Tahqua-Tots Learning Center, LLC for the work they did with a group of their youngsters. TTLTC took the time to clean up the playground area behind the school in trade for having a little fun. If you see these little ones (and the adults who care for them) out and about helping in their own ways, give them a "Thanks" or "Good job". These little ones are taking care of their community and doing a wonderful job.

-- Please help us help you by providing us with specials, deals, sales, give-aways, and events that you would like to promote. We enjoy getting these and promoting our local businesses. Many of these events or activities can be promoted on our website and will be added upon receipt. We also use Facebook which is a great way to promote. This reaches people that have "liked" our page, from this area and out of area. Postings are threaded into their news feeds and they see these posts without visiting our webpage. The more channels we use, the more people we reach and generate more business for our area.
