-- Please help us help you by providing us with specials, deals, sales, give-aways, and events that you would like to promote. We enjoy getting these and promoting our local businesses. Many of these events or activities can be promoted on our website and will be added upon receipt. We also use Facebook which is a great way to promote. This reaches people that have "liked" our page, from this area and out of area. Postings are threaded into their news feeds and they see these posts without visiting our webpage. The more channels we use, the more people we reach and generate more business for our area.
