--The tourism season will continue until the colors are off the trees. Make everyone feel welcome within the walls of your business or on the street as you pass. Those visiting help to stimulate our community and we want to see them back here one day. Spread the Yooper kindness to everyone around. People appreciate it and when they visit the Chamber, so many people talk about how friendly and kind the people are here. Their testimony is some of the best advertisement around!

-- Please help us help you by providing us with specials, deals, sales, give-aways, and events that you would like to promote. We enjoy getting these and promoting our local businesses. Many of these events or activities can be promoted on our website and will be added upon receipt. We also use Facebook which is a great way to promote. This reaches people that have "liked" our page, from this area and out of area. Postings are threaded into their news feeds and they see these posts without visiting our webpage. The more channels we use, the more people we reach and generate more business for our area.
